

Policy Statement
Selection and Scheduling Medical Speakers at Heritage Ranch

Mission: The purpose of the Medical Speaker Program is to provide expert medical speakers for the benefit of the Heritage Ranch Active Adult Community residents and invitees.

Responsibility for Selecting and Scheduling Speakers: The Health and Safety Committee shall be responsible for selecting and scheduling health related speaking programs. All requests from interested speakers and Heritage Ranch residents received by the HOA Board and Staff will be referred to the Health and Safety Committee for evaluation and action.

Criteria for Selecting Speakers: The following criteria will be used by the Health and Safety Committee to select speakers.

- v In most cases the presenter will be an M.D. (or equal) preferably with a recognized hospital/clinic association.
- v In all cases the presenter will be a source of medical information/service; in no instance will the presenter promote a product for sale vs. a medical service.
- v In all instances the invited presenter will be recommended by a qualified person who attended one or more of the individual's presentations.
- v In most cases the person recommending the presenter will be associated with a hospital/clinic or similar organization and typically will have the title/responsibility of Director of Community Relations or Director of the Speakers' Bureau.
- v Heritage Ranch residents are encouraged to recommend speakers in keeping with the above guidelines.
